Index of volume 60 (2003)

Key: (C) = correspondence; (CE) = continuing education; (CR) = conference report; (E) = editorial; (I) = Insight; (LA) = leading article

Index of subjects

A

Adolescents
What is the quality of the diet of Australian youth? (LA) Allen J. 2003;60(1):9–10

Aged

Bone disorders

Book reviews
Beriberi, white rice and vitamin B. (Wood B). 2003;60(1):57
Boost your child’s immune system. (Saxelby C). 2003;60(1):59–60
Discovering nutrition. (Keogh J). 2003;60(3):217
The changing chicken. (Coveney J). 2003;60(4):271
The Down Syndrome nutrition handbook. (Reed E). 2003;60(3):218
Foodwatch A to Z. (Capra S). 2003;60(3):217
Nutrition and dietetics for health care. (Ferrie S). 2003;60(4):272

Children
An assessment of the potential of Family Day Care as a nutrition promotion setting in South Australia. Daniels LA, Franco B, McWhinnie J-A. 2003;60(1):30–7
In the shadow of the volcanoes: the impact of intervention on the nutrition and health status of Rwandan refugee children in Zaire two years on from the exodus. Renzaho A, Renzaho C. 2003;60(2):85–91
Television and food advertising: An international health threat to children? (LA) Story M. 2003;60(2):72–3

Clinical nutrition
Evaluation of a tool for rating popular diet books. Williams L, Williams P. 2003;60(3):185–97
National Heart Foundation of Australia Position statement on dietary fat and overweight/obesity. 2003:60(3):174–6
Nutrition issues associated with spinal muscular atrophy. Leighton S. 2003;60(2):92–6
Survey of dietetic management of overweight and obesity and comparison with best practice criteria. Collins C. 2003;60(3):177–84

Conference reports
Continuing education
Calcium, iron and zinc—essential minerals. 2003;60(4):266–8
Food regulation. 2003;60(3):213–6
Thiamin, riboflavin, niacin, pantothenic acid and biotin. 2003;60(1):131–3
Vitamins B6, B12 and folate. 2003;60(1):51–3

Diabetes
Are dietitians puzzling? (E) Tapsell LC. 2003;60(4):227–8
Eating and pumping: evaluating the nutrition service of the insulin pump clinic at the Royal Melbourne Hospital (I). Voevodin M, Steele C, Pierce K, Colman PG. 2003;60(2):122–5

Dietary assessment
In reply: Dietary intakes of older Victorians (C). McCarty CA, Nanjan MB. 2003;60(1):55–6
Limitations in the use of the NNS data (LA). Mackerras D, Rutishauser I. 2003;60(3):148–9

Dietary therapy
Eating and pumping: evaluating the nutrition service of the insulin pump clinic at the Royal Melbourne Hospital (I). Voevodin M, Steele C, Pierce K, Colman PG. 2003;60(2):122–5
Evaluation of a tool for rating popular diet books. Williams L, Williams P. 2003;60(3):185–97

Dietetic education
Competency development in public health nutrition: Reflections of advanced level practitioners in Australia. Hughes R. 2003;60(3):205–11
Multiprofessional education—a future focus in dietetics education? (E) Capra S. 2003;60(3):147

Dietetic practice
Are dietitians puzzling? (E) Tapsell LC. 2003;60(4):226–7
Competency development in public health nutrition: Reflections of advanced level practitioners in Australia. Hughes R. 2003;60(3):205–11
Functional foods from the dietetic perspective in Malaysia. Arshad F. 2003;60(2):119–21
The Journal: a mirror for dietetics and dietitians (E). Allman-Farinelli M. 2003;60(1):70–1
Survey of dietetic management of overweight and obesity and comparison with best practice criteria. Collins C. 2003;60(3):177–84

E
Editorials
Are dietitians puzzling? Tapsell LC. 2003;60(4):226–7
Multiprofessional education—a future focus in dietetics education? Capra S. 2003;60(3):147
The Journal: a mirror for dietetics and dietitians. Allman-Farinelli M. 2003;60(1):70–1
The power in grapefruit. Truswell AS. 2003;60(1):6–8

Enteral nutrition

Exercise

F–G
Falls

Fat
Blinded by science. Gill T. 2003;60(3):150–1
National Heart Foundation of Australia Position statement on dietary fat and overweight/obesity. 2003;60(3):174–6

Food habits
The arrival of Mediterranean recipes and food in Australian magazines. Noah A, Truswell AS. 2003;60(3):198–204

Food labelling

Food science
The power in grapefruit (E). Truswell AS. 2003;60(1):6–8

Functional food
Functional foods from the dietetic perspective in Malaysia. Arshad F. 2003;60(2):119–21
Nutrition for boys with Duchenne muscular dystrophy.

Neurological disorders

Calcium, iron and zinc—essential minerals.

Minerals

The arrival of Mediterranean recipes and food in Mediterranean food

In the shadow of the volcanoes: the impact of intervention on the nutrition and health status of Rwandan refugee children in Zaire two years on from the exodus.

Renzaho A, Renzaho C. 2003;60(2):85–91

Television advertising: An international threat to children (C). Radcliffe BC, Ashton B. 2003;60(4):269–70

I–K

Insights

Eating and pumping: evaluating the nutrition service of the insulin pump clinic at the Royal Melbourne Hospital. Voevodin M, Steele C, Pierce K, Colman PG. 2003;60(2):122–5

L

Leading articles

Blinded by science. Gill T. 2003;60(3):150–1

The challenge of communicating diet-health messages. Truby H. 2003;60(4):229–30

Limitations in the use of the NNS data. Mackerras D, Rutishauser I. 2003;60(3):148–9

Television and food advertising: An international health threat to children? Story M. 2003;60(2):72–3

What is the quality of the diet of Australian youth? Allen J. 2003;60(1):9–10

Letters to the Editor

In reply to Blinded by science. National Heart Foundation of Australia. 2003;60(4):269

Overweight and obesity. Kausman R. 2003;60(4):270

Television advertising: An international threat to children. Radcliffe BC, Ashton B. 2003;60(4):269–70

M

Malnutrition

In the shadow of the volcanoes: the impact of intervention on the nutrition and health status of Rwandan refugee children in Zaire two years on from the exodus.

Renzaho A, Renzaho C. 2003;60(2):85–91

Mediterranean food

The arrival of Mediterranean recipes and food in Australian magazines. Noah A, Truswell AS. 2003;60(3):198–204

Minerals

Calcium, iron and zinc—essential minerals.

2003;60(4):266–68

N

Neurological disorders

Nutrition issues associated with spinal muscular atrophy. Leighton S. 2003;60(2):92–6

Nutrient databases

Nutrition

Nutrition education

Evaluation of a tool for rating popular diet books. Williams L, Williams P. 2003;60(3):185–97

Nutrition support

Evaluation of an Australian combat ration pack as a sole nutrition source during 23 days of military adventurous training in the tropics. Booth C, Coad R, Roberts W. 2003;60(4):239–47

Nutritional assessment

Evaluation of an Australian combat ration pack as a sole nutrition source during 23 days of military adventurous training in the tropics. Booth C, Coad R, Roberts W. 2003;60(4):239–47

Nutritional epidemiology

Limitations in the use of the NNS data (LA). Mackerras D, Rutishauser I. 2003;60(3):148–9

O

Obesity

Are dietitians puzzling? (E) Tapsell LC. 2003;60(4):226–7

Blinded by science (LA). Gill T. 2003;60(3):150–1

Evaluation of a tool for rating popular diet books. Williams L, Williams P. 2003;60(3):185–97

In reply to Blinded by science. National Heart Foundation of Australia (C). 2003;60(4):269

National Heart Foundation of Australia

Position statement on dietary fat and overweight/obesity. 2003;60(3):174–6

Overweight and obesity (C). Kausman R. 2003;60(4):270

Survey of dietetic management of overweight and obesity and comparison with best practice criteria. Collins C. 2003;60(3):177–84

P–Q

Physical activity

Professional training

Public health
An assessment of the potential of Family Day Care as a nutrition promotion setting in South Australia. Daniels LA, Franco B, McWhinnie J-A. 2003;60(1):30–7
The challenge of communicating diet-health messages (LA). Truby H. 2003;60(4):228–9
