

 We're working towards better health through better nutrition by supporting #SmartEatingWeek, run by Accredited Practising Dietitians (APDs). Join the celebrations by following #SmartEatingWeek and visit daa.asn.au/find-an-apid/ to connect with your local APD.

 Looking to achieve better health through better nutrition? Celebrate #SmartEatingWeek with us! We are all unique, and an Accredited Practising Dietitian (APD) is equipped with the skills to provide personalised nutrition advice and on-going support, to help you achieve your goals. Join the celebrations by following the conversation online or connect with your local APD by visiting the DAA website and going to 'Find an APD'.

 We're supporting our APD colleagues this #SmartEatingWeek. APDs help you work towards better health, by providing personalised nutrition advice and support. Join the celebrations by following the conversation online and connect with your local APD by visiting daa.asn.au/find-an-apid/

 We're working towards eating 'Smart' by celebrating #SmartEatingWeek with our Accredited Practising Dietitian (#APD) colleagues. Find the foods that fit you by connecting with your local #APD, who can provide personalised support to help you achieve your nutrition goals.
