Accreditation, Program Qualification and Non-Domestic Placement Site Approval Reviewers

Purpose

Reviewers are responsible for the assessment of Accreditation, Program Qualification and Non-Domestic Placement Site Approval applications as detailed in the

1. Accreditation Processes for Dietetics Education Programs, and
2. Process for Qualification of Dietetics Education Programs.

Accreditation Review Teams review and assess evidence against the Accreditation Standards for Dietetics Education Programs and/or Program Qualification requirements and provide recommendations to the Australian Dietetics Council (ADC) on a Program's compliance to the relevant Accreditation Standards and/or Program Qualification requirements.

Role of Reviewers

Reviewers appointed to an Accreditation Review Team are required to:

- Prepare for and actively participate in a desktop review
- Participate in regular Review Team teleconferences
- Assist with preparing and reviewing requests for further information/clarification
- Assess available evidence against the relevant Accreditation Standards and/or Program Qualification requirements
- Attend and contribute to a two-day site visit and/or Non-Domestic Placement site visit, where necessary
- Contribute to the final Review Team report and recommendations
- Assist with assessment of documentation submitted post review, if required.

To be appointed to an Accreditation Review Team, Reviewers must first be appointed by the ADC to the Reviewer Pool via application against the selection criteria set out below.
